

Pacific School: Enlightening minds, building character, leading by example.

Dear Parents,

Friday, March 27th is our exciting Rancho Days celebration for Pacific's fourth grade. Two of the activities the students will be participating in will involve interaction with hot materials.

During candle making, students will be dipping a small starter candle into hot wax and then dipping into cold water to create candles. The hot wax is kept warm on a hot plate.

The other activity is tortilla making where students will be flattening and shaping pre-made dough. Students give the dough to a parent to place on the griddle. While students are not in direct contact with the griddle, they will be near it.

Please sign below if you give your child permission to participate in these activities.

I, _____, give permission for my child,

(parent first and last name)

_____,

(student first and last name)

to participate in the candle making and tortilla-making activities for fourth grade Rancho Days. I understand that these activities involve students working with hot materials and being around a hot plate and griddle.
