

Announcements/Reminders

- **Tech Support:** If your child is experiencing any tech issues at home and you need additional tech support, please feel free to reach out to:
Elmer Monge (Pacific Tech Support):
emonge@mbusd.org
Jason Marshall (District Tech TOSA):
jmarshall@mbusd.org
- **Online Support:** MBUSD has a website for parents to help support you with distance learning. Please check it out!
<https://sites.google.com/mbusdapps.org/mbusd-distance-learning/home>
- **Scholastic Book Club:** Scholastic Book Orders will now ship directly to homes! Visit the Scholastic Book Club site and it will direct you to the Online Pop-Up Shop for home deliveries. Our class code is: **K2GHQ**
- **Spring Break:** Enjoy the break with your families. No school work allowed! Because the distance learning has extended, our team of teachers will be working over the break to find ways to collaborate and work smarter not harder. Be prepared that our daily routines/lessons after spring break might be delivered in a different way, but the quality will still be there.

Curriculum Focus

Reading and Writing

- This week students will wrap up their research and begin drafting their research reports.

Mathematics

- Module 5 are covering FRACTIONS! Students will study equivalence involving both ones and fractional units.

Science and Social Studies

- At this time, we will take a break from Science and Social Studies in an effort to adjust our workload. Please see Mrs. Liu's website for ideas on how to bring science into your home. In addition, I will occasionally share ideas for optional Makerspace projects. If our distance learning timeline has extended, I will find optional ways to cover Social Studies content while at home.

Mark Your Calendar

- **April 6th-13th** - Spring Break, no school
Schedule some zoom chats with friends...go on a nature walk...take a bike ride...enjoy a book!
- **April 14th** - School Resumes
- **May 5th** - Tentative Return Date for Students
